

HEALTH INSURANCE CHOICES

Not sure what to do about health insurance? Are all the choices confusing? You can review your options

FREE of charge. Insurance & Financial Solutions have been helping clients with health insurance coverage for over 26 years. We are independent which means more choices for you. Here are some

examples of how we can be of assistance:

1. Coming off Medicaid because no longer eligible
2. Under age 65 and would like help assistance with www.healthcare.gov and picking plans (OPEN ENROLLMENT NOVEMBER 1 – DECEMBER 15 FOR JANUARY 1 START DATE)
3. Spouse has family coverage through job but premiums are not affordable (FAMILY GLITCH FIX NOW AVAILABLE)
4. Want options for health insurance coverage for company employees. Renewals are coming soon.
5. Interested in adding additional kinds of employee benefits which can be employer or employee paid
6. Under age 65 and need health insurance for a short period of time
7. Navigating becoming Medicare eligible for the first time because of turning age 65, retirement from job, or receiving disability for 2 years
8. Need clarity about all the TV ads which are primarily about Medicare Advantage plans (OPEN ENROLLMENT OCTOBER 15 – DECEMBER 7 FOR JANUARY 1 START DATE)
9. Medicare supplement premiums have gotten too expensive and want options
