

Health Insurance Doesn't Have to Be Confusing

Building trust and excellence since 1997, we guide you step by step so you can make confident coverage choices for yourself, your family, or your business.

Feeling overwhelmed by health insurance options?

You're not alone—and we're here to help.

At Insurance & Financial Solutions, we have spent more than 30 years guiding individuals, families, and businesses through the health insurance landscape. As an independent agency, we represent multiple carriers and plan options---allowing us to recommend coverage based on your needs NOT a company's agenda.

How We Can Help

Under age 65?

We navigate the Healthcare.gov marketplace with you to select the right plan during Open Enrollment (Nov. 1st- Dec.15th for a Jan 1 start) or after qualifying life events.

Between jobs or need temporary coverage?

We identify short-term solutions that fit your transition period.

Supplement coverage?

We review your current plan and compare competitive alternatives.

Facing high premiums through a spouse's employer plan?

We evaluate whether you may qualify for more affordable individual coverage.

Looking to expand employee benefits?

We strengthen your benefit package with additional options tailored to your workforce.

Own a business?

We design and manage group health insurance solutions including renewal analysis.
